The Grand Lodge of NEW JERSEY

Brethren,

The Grand Lodge of New Jersey Membership Committee is proud to launch the Digital Doorway Subcommittee and introduce our new video initiative – Fraternal Focus.

This initiative will share the heart of Freemasonry through short, compelling videos that are designed to inform, inspire, and connect. Not just within our Lodges, but with the world around us. From historical events to lodge traditions, to a Brother's personal journey, each video will shine a light on the timeless values of our Craft and the enduring spirit that unites us as Masons. We encourage you to share and discuss these videos with members and non-members alike.

Please take a moment to watch the introduction by R.W. Dave Van Pelt
